

FEB. 7, 2023 - UPDATE to ALL SCC MEMBERS AND ACTIVE FRIENDS:
Please consider the following goals prayerfully. Which do you believe should be the top priorities for SCC? Please rank or comment on all the goals, remove any you find unnecessary or add anything you feel is missing. PLEASE return your input by 2/22/23 to Search Co-Chairs David and Gail using this email: SCCSearch@beverlysecond.com
THANK YOU VERY MUCH!!!

List of Possible Congregational Goals for SCC for a “Legacy” Designated Term (2023-2025?ish)

*This is not an inclusive or complete list... this is a sample of possible goals/priorities! What would **YOU** like to see included in a list of goals/priorities for the remaining time of Second Church’s active mission and ministry??*

What does SCC want, need and hope to accomplish in the remaining time of our active ministry and mission?

What are the priorities for how we focus our efforts and energy?

How does SCC want to remember and celebrate its history and its legacy over the next several years?

- 1) Discern and decide upon the distribution of our assets, including the building, valued possessions, money, historical records, and other blessings... also known as **the work of the Building Our Legacy Team** and congregational action on their recommendations.
- 2) Offer a full, inspiring and faithful **Worship Life** for our congregation, including great music, good sermons/messages, experiential and experimental worship experiences.
- 3) Offer excellent **Pastoral Care** to church members and friends, including visitation, support and prayer.
- 4) Engage in **Social Action and Mission** activities that enable members to put their faith into action.
- 5) Support **Spiritual Nurture** for our members. As we prepare to continue our spiritual journeys and discern about future church involvement, we seek to learn about what we believe. (Spirited Women, Bible or book studies, etc)
- 6) Continue our **Community Presence** as a church. This includes offering space for AA, Al Anon, Scouts, etc... and participating in the Beverly Interfaith Group and other ecumenical and Beverly community activities.
- 7) **Celebrate** the history of **Second Church** and the legacy we are establishing. (Might include events like a few Community Suppers, concerts in the sanctuary, and other ways to honor all Second Church has been and done in its history and what our legacy will be.)
